

# 100-foot folding container used at Valletta construction site

## Overview

---

What is a construction site container?

Herocont offers turnkey solutions for modular and prefabricated buildings, such as furniture and industrial kitchen equipment! Construction site container or construction container is a modular container, resistant to harsh conditions in various construction sites.

What are construction containers used for?

These type of containers, which are used as work offices, dormitories, dining halls, kitchens and security sites in energy, mining, oil, housing and many other construction sites, offer a fast and practical solution to construction companies.

What is a herocont container?

Herocont containers are suitable for all worldwide climatic conditions, and shipped worldwide in short time. All furniture and equipment such as offices, dormitories, and dining halls for the container you need in mining, oil, energy, housing, hospitals, power plants and many other construction sites are at Herocont on a turnkey basis!
