

20-foot Belarusian folding containers used in subway stations

Overview

Where can I find 20ft shipping containers for sale?

You can find 20ft shipping containers for sale right here! Boxhub is the nation's favorite shipping container marketplace. We have 20ft shipping containers available for sale in both new and used condition—and can deliver them straight to your property within 5 business days.

What is a 20ft flat rack container?

The 20ft Flat Rack Container is a specialised container for the storage and transportation goods with unique dimensions that cannot fit inside a standard container. The end walls fold down flat, meaning the empty units can be shipped together more efficiently. Available in: 20ft and 40ft sizes.

What is a 20 foot container?

The 20 foot container is one of the most popular container types. Its size makes it particularly versatile. It is suitable for a wide range of loads, can be used as a mobile storage or sanitary solution or as an accommodation cabin. Standardisation makes it easy to transfer between different modes of transport.

What sizes are available for a flatbed container?

The end walls fold down flat, meaning the empty units can be shipped together more efficiently. Available in: 20ft and 40ft sizes. We also offer platform (flatbed) containers in 20ft and 40ft
