

# **Ankara solar container lithium battery energy storage company**

## Overview

---

Why is LG Energy Solution returning to Turkey?

The agreement marks LG Energy Solution's return to Turkey following the cancellation of a previously planned joint venture with Ford Otosan. This earlier initiative, which aimed to produce battery cells in Ankara, was abandoned in early 2023 due to concerns about the pace of electromobility adoption.

What is LZY solar storage?

LZY offers large, compact, transportable, and rapidly deployable solar storage containers for reliable energy anywhere.

Will go Enerji be made in Türkiye?

Gökhan Yıldız, Chairman of GO Enerji, highlighted at a press conference that the factory will operate under the 'Made in Türkiye' label, serving both domestic demand and LG Energy Solution's global customers. This includes exports to Europe, Africa, and the Middle East.

Who is LZY container?

LZY container specializes in foldable PV container systems, combining R&D, smart manufacturing, and global sales. Headquartered in Shanghai with 50,000+ production bases across Jiangsu, Zhejiang, and Guangzhou, the company employs 1,000+ professionals, including 20+ engineers driving energy storage technology.
