Avaru imported solar glass

Overview

Does India impose anti-dumping duty on imports of solar glass?

The Indian government has imposed a definitive anti-dumping duty on imports of solar glass originating in or exported from China and Vietnam. The Indian government has imposed a definitive anti-dumping duty on imports of solar glass (textured tempered coated and uncoated glass), originating in or exported from China and Vietnam.

Are solar glass imports a problem in India?

The Directorate General of Trade Remedies (DGTR) found that these imports, which account for 98% of India's solar glass needs, significantly undercut local prices and recommended the duties. What does SAMA say?

Will anti-dumping duties affect solar glass imports?

The imposition of anti-dumping duties on solar glass imports has also raised concerns about further module price increases in an industry already grappling with higher costs since April following the reimposition of the Approved List of Models and Manufacturers.

Did China and Vietnam dumping textured tempered solar glass?

The Ministry of Commerce and Industry has finalized anti-dumping duties on imports of textured tempered solar glass from China and Vietnam. A ministry investigation concluded that dumping of solar glass by the two countries had caused material injury to the domestic industry.
