

Beirut 2GW energy storage project

Overview

Will Sungrow supply a micro-grid in Lebanon?

Beirut, Lebanon, June 5th, 2023 /PRNewswire/ -- Sungrow signed eight contracts with local partners to supply the first batch of Utility-scale micro-grid BESS in Lebanon. The projec .

Does Sungrow provide energy storage solutions for micro-grid projects?

Sungrow will provide the contracted eight micro-grid projects with its PV inverter and energy storage system solutions. The energy storage system is highly integrated with both the Power Conversion System (PCS) and Batteries, which minimizes the footprint, and streamlines the installation process.

Is Sungrow a good supplier for solar-plus-storage solutions?

As one of a few suppliers having expertise in both PV and energy storage solutions, Sungrow continues pioneering in the emerging Lebanese market. Since last September, Sungrow has installed its solar-plus-storage solutions in 20 microgrid projects in the country. The projects have been operating stably with high efficiency.

Is Sungrow ready to meet more demands in the Lebanese market?

As a dedicated player in the Lebanese market, Sungrow is prepared to meet more demands by offering state-of-the-art PV and storage innovations with its dedicated local team," said Zaid Al-Helo, Levant and Yemen Country Manager, Sungrow.
