

Burundi Industrial Energy Storage Policy

Overview

What is Burundi's energy sector policy?

Burundi's 2006 energy sector policy requires up-dating and amending, taking into account the country's domestic situation and integrating the regional energy strategy developed with the East African Community (EAC).

Will Burundi adopt energy policy in 2011?

The government of Burundi is expected to adopt the energy policy - including the associated implementation strategy and investment plan - in 2011.

What is euei PDF 'energy strategy & action plan for Burundi'?

The objective of EUEI PDF's project "Energy Strategy and Action Plan for Burundi" was to support the Ministry of Energy and Mines in developing a new national energy policy.

How does Burundi's energy environment affect its natural resources?

Burundi's energy environment also harms its natural resources: high population growth and reliance on traditional biomass for cooking have contributed to severe deforestation, exacerbating the damage caused during the 1993 to 2004 political crises.
