

Factory price 110 amp breaker in Brisbane

Overview

Who makes Rs circuit breaker accessories?

RS is a globally recognised and trusted supplier, distributor, and manufacturer of industrial circuit breakers and circuit breaker accessories. In addition to our own RS PRO line, we carry a wide range of types from top brands, such as MCCBs from Siemens, MCBs from Schneider Electric and even electronic circuit breakers from ABB.

What types of circuit breakers are available?

These circuit breakers are designed to protect against overcurrent and short circuits, and are available in various types, including DC and AC moulded case circuit breakers, with different amperage ranges and pole configurations.

How do I choose a reputable brand for a circuit breaker?

Finally, select a reputable brand known for quality and reliability to ensure optimal performance and longevity. RS is a globally recognised and trusted supplier, distributor, and manufacturer of industrial circuit breakers and circuit breaker accessories.

What is a 3 phase circuit breaker?

Three-phase circuit breakers: Predominantly used in larger homes, commercial or industrial settings where large amounts of power are required. These breakers interrupt power in three separate live wires, making them ideal for systems that demand a high power supply.
