

Fixed type folding container for catering industry

Overview

What is a catering container?

A catering container is a versatile structure that can be used both fixed and mobile, as our smaller catering container conversions can also be fabricated to be towed to different venues. We've converted several different sized containers for catering - ranging from small 10ft units up to full-size 20fts.

What are the different types of folding boxes?

Standard folding boxes: Cost-efficient, reusable boxes ideal for reducing logistics costs and improving storage efficiency. Custom folding boxes: Fully customizable to meet specific operational requirements for different industries and applications. Start your custom project.

Are folding boxes a good choice for your business?

Start your custom project Folding boxes can be easily assembled and disassembled, making them a convenient choice for businesses with dynamic storage needs. Made from high-quality materials, these containers are durable and can withstand heavy loads and harsh conditions.

Why should you choose a folding container?

Contact us! Folding containers can give up to an 80% saving in volume and are available in standard footprints and heights. Lid and closure options are also available.
