

# Gendome portable power bank

## Overview

---

What is the Gendome Micro Power Bank?

Discover the Gendome Micro Power Bank, a compact and portable power solution for on-the-go charging. With high-capacity output and a lightweight design, it's perfect for charging your devices during travel, outdoor activities, and emergencies.

What is a portable power bank?

Small enough to fit in your backpack or laptop bag, this portable power bank is perfect for on-the-go charging when you don't have the convenience of an AC outlet nearby. With dual USB ports, you can charge two devices simultaneously including smartphones, tablets and other USB powered devices.

What is a fast charge PD power bank with USB Type-C?

Aluratek's 20,000mAh 65W Fast Charge PD Power Bank with USB Type-C utilizes the latest in lithium-ion rechargeable battery technology offering a superior power capacity to quickly recharge your portable USB devices 4x faster than regular battery chargers.

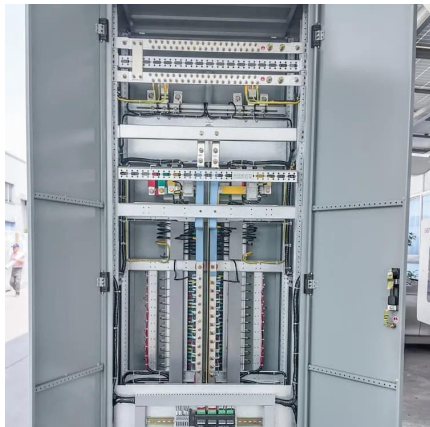

Does Gendome Micro30 work with Apple Watch?

Universal Compatibility: Equipped with a USB-C input/output port, extra USB-C output port, a USB-A port, and a dedicated wireless charging pad for Apple Watch. A one stop solution for your charging needs. Tip: Fully charge GENDOME Micro30 power bank before first use. Shop products from small business brands sold in Amazon's store.
