

IMK CONTAINERS

Germany Hamburg solar grid-connected system manufacturer

Overview

Where are solar modules made?

The solar modules of SOLARA are the product of German workmanship and are manufactured exclusively in Germany. Thanks to the high quality of the materials used and their manufacturing, they are extremely robust and durable.

Who is Solara?

SOLARA is the strong brand for solar technology (photovoltaic) from northern Germany for over 20 years. As a specialist provider of stand-alone systems (e.g. mobile solar systems for various vehicles such as caravans and sailing boats), made in Germany, we guarantee a reliable power supply. Clean, emission-free electricity from renewable energy.

Who backed chalkpit solar farm?

Hamburg/London, 8th September- greentech, a European solar and storage specialist, and Lombard, a leading UK asset finance provider, have reached financial close on the 25.9 MW Chalkpit Solar Farm in Dover, Kent. The project, backed by Lombard with a £15 million. So why take this step?
