Helsinki Folding Container DC Procurement Contract

Overview

Where does the city of Helsinki publish contract notices?

The City of Helsinki publishes its contract notices in the national public procurement service Hilma. Hilma allows public sector buyers to put their procurements out to tender and advertise their future procurements, ongoing tender processes and the results of completed tender processes. To use this feature, you must accept cookies from the site.

How much money does Finland spend on public procurement?

In Finland roughly 45 billion euros are yearly spent by the government, municipalities and congregations on the procurement of goods, services and public works. Finnish public procurement is subject to national procurement legislation which derives from the European Community directives on public procurement.

How does Finnish public procurement work?

Finnish public procurement is subject to national procurement legislation which derives from the European Community directives on public procurement. Under these rules public sector procurement must follow transparent open procedures ensuring fair and non-discriminatory conditions of competition for suppliers.

Where can I find public and government tenders in Finland?

FinlandTenders offers the most up-to-date and comprehensive listings of public and government and private tenders across Finland. We gather tender information daily from reliable sources such as official procurement portals, government websites, and leading newspapers, ensuring you never miss an opportunity.
