

# Industrial switchgear factory in New-Zealand

## Overview

---

Who makes Bray switchgear?

New Zealand Electrical Traders Ltd (NZET) are manufacturers of Bray Switchgear. We are recognized Industry Leaders in Industrial and Commercial Switchgear Design & Manufacture. NZET has been manufacturing switchgear in Tauranga since 1993. We are located in Tauranga, Bay of Plenty, New Zealand.

Who is Western switchgear?

We provide a full-service solution for the design, manufacturing and installation of electrical control systems and electrical switchboards throughout New Zealand. Formed in 1985, Western Switchgear answered a need for high quality, custom built, low voltage switchboards, motor control centres, and control & distribution panels.

Who is IC switchgear?

I.C. Switchgear has been delivering high-quality, low-voltage electrical switchgear since 1989. Our experience and know-how enable us to design and build reliable equipment that lasts a lifetime. We use time-proven manufacturing techniques along with the latest technologies to strike a balance between functionality, durability, and value for money.

Who is industrial switchboards limited?

Industrial Switchboards Limited was founded with a singular mission in mind: To build the best industrial switchboards to power New Zealand industry forward. At ISL we refuse to compromise on quality, standing proudly behind our products for reliability and impressive performance. Industrial Switchboards Limited are switchboard manufacturers.
