

Jakarta camping solar container outdoor power manufacturer

Overview

What is Indonesia's first & largest containerized battery energy storage system?

Indonesia's First & Largest Containerized Battery Energy Storage System. Off-grid solar energy system at PT Cipta Kridatama equipped with CBESS. The CBESS solar energy system at PT Cipta Kridatama Jambi operates off-grid, making it a reliable, self-sustaining energy source without dependence on the national electricity grid.

What is HJ mobile solar container?

The HJ Mobile Solar Container comprises a wide range of portable containerized solar power systems with highly efficient folding solar modules, advanced lithium battery storage, and smart energy management.

What is a mobile solar PV container?

High-efficiency Mobile Solar PV Container with foldable solar panels, advanced lithium battery storage (100-500kWh) and smart energy management. Ideal for remote areas, emergency rescue and commercial applications. Fast deployment in all climates.

How does CK's solar energy system work?

Installed in Jambi, the system features a 643.8 kWp solar energy setup with a 1 MWh battery housed in a 20-foot container. Designed to power remote mining operations, the off-grid system ensures a stable energy supply, reducing CK's carbon footprint while supporting its Environmental, Social, and Governance (ESG) goals.

Jakarta camping solar container outdoor power manufacturer

Mobile solar power

The mobile solar containers and portable solar chargers are designed with easily foldable solar panels which makes them ideal for remote areas and versatile applications like ...
