

Kabul container solar inverter

Overview

What are the biggest solar projects in Afghanistan?

Solarization of 24 Health Facilities in Bamyan and Badakhshan. Solarization of 80 Health Facilities for Kinderhilfe Afghanistan in Nangarhar, Kunar and Laghman. 340 kW MHP/PV Hydro Solar Hybrid Mini-grid. Kandahar's 15 MW solar power project is currently one of the biggest national projects in Afghanistan.

Why should you choose a solar storage container?

Customize your container according to various configurations, power outputs, and storage capacity according to your needs. Lower your environmental impact and achieve sustainability objectives by using clean, renewable solar energy. Lower energy/maintenance costs ensure operational savings.

Why should you choose a modular solar power container?

Go big with our modular design for easy additional solar power capacity. Customize your container according to various configurations, power outputs, and storage capacity according to your needs. Lower your environmental impact and achieve sustainability objectives by using clean, renewable solar energy.
