

Montevideo Bifacial Solar Panel Wholesale

Overview

Are bifacial panels eligible for Targray's wholesale solar financing platform?

Bifacial panels are eligible for Targray's flexible wholesale solar financing platform, designed to help businesses of all sizes preserve their working capital, unlock value and accelerate growth.

What are bifacial solar modules?

Bifacial solar modules enable EPCs, installers, contractors and solar PV developers to maximize power density, with dual-side light capture resulting in increased power output at a lower cost.

What are bifacial modules made of?

Delivering an attractive design, low-degradation and maximum power density, the bifacial modules we supply are made from high-purity silicon to ensure superior cell efficiency and lifespan.
