

Morocco Casablanca solar container lithium battery solar container outdoor power manufacturer

Overview

Which Chinese lithium battery companies are based in Morocco?

Since 2023, several Chinese lithium battery industry chain companies, including CATL, Gotion High-Tech, Sunwoda, BTR, Huayou Cobalt, CNGR Advanced Material and Tinci Materials, have collectively invested in Morocco and built factories. The battery industry chain centered around LFP is forming rapidly.

Why should Morocco invest in lithium & electric batteries?

Thanks to its natural resources, advantageous geographical position and strategic partnerships with global players, Morocco aims to become a regional hub for sustainable technologies for Africa and Europe by investing heavily in the lithium and electric battery industry.

What's going on with EV batteries in Morocco?

The battery industry chain centered around LFP is forming rapidly. In June this year, the Moroccan government announced that Gotion High-Tech would invest \$1.3 billion (US) to build a gigafactory for EV batteries.

Does CATL have a battery production base in Morocco?

CATL has already planned over 100 GWh of production capacity at its European factories. Additionally, Sunwoda is also setting up a battery production base in Morocco. The number of material manufacturers investing in Morocco is even larger.
