

# Nairobi solar container outdoor power manufacturer

## Overview

---

Who are the best solar energy companies in Kenya?

PowerAll is one of the top solar energy companies in Kenya for supply, installation and maintenance of solar systems for residential and commercial use. PowerAll is a fully registered and EPRA-licensed solar energy company in Kenya, committed to delivering innovative, reliable, and affordable renewable solar energy solutions.

Where are solar power plants made?

Headquartered in Shanghai with 50,000+ production bases across Jiangsu, Zhejiang, and Guangzhou, the company employs 1,000+ professionals, including 20+ engineers driving energy storage technology. ISO/TUV/CE-certified units deliver rapid-deploy solar power for off-grid, emergency, and mobile applications, reducing emissions by 70% vs diesel.

Why do you need a solar container?

Deploy power in hours Perfect for remote locations, construction sites, events, and emergency response situations. Our solar containers ensure fast deployment, scalability, customization, cost savings, reliability, and sustainability for efficient energy anywhere.

Why should you choose a modular solar power container?

Go big with our modular design for easy additional solar power capacity. Customize your container according to various configurations, power outputs, and storage capacity according to your needs. Lower your environmental impact and achieve sustainability objectives by using clean, renewable solar energy.
