

# **Old circuit breaker in China in Norway**

## Overview

---

Who makes low voltage circuit breakers in China?

One of the most renowned national producers and exporters of low voltage circuit breakers in China, Shanghai Dada Electric Co., Ltd, was established in 1986. This organization has taken the lead when it comes to using the ISO9001 Quality Management System.

Who are the best Chinese circuit breaker companies?

Top Chinese circuit breaker companies, such as TOSUNLux, focus on producing reliable circuit protection devices verified by top industry certifiers. TOSUNLux is open to discussing custom low-voltage switchgear needs and offers tailored solutions for specialized installations worldwide.

Does Wenzhou manufacture circuit breakers?

Wenzhou can import and export on its own, increasing its market in Southeast Asia, the Middle East, Europe, and other regions. Some of their products include miniature circuit breakers, residual current circuit breakers, molded case circuit breakers, and others. Circuit Breaker is available from this company.

Where can I find old electrical breakers?

Platforms dedicated to industrial components often feature listings for rare and old electrical breakers. These websites and online auctions provide additional avenues for procurement. Reach out to original manufacturers. They may have surplus stock or recommend compatible alternatives for obsolete breakers.
