Overview

What is a shipping container?

Shipping containers are available as new or used in 20ft or 40ft lengths and meet ISO (International Shipping) regulations, these tough regulations ensure that the ISO container supplied meets strict design and manufacturing standards to provide a high quality, fit for purpose shipping container.

Does sea container LLC sell new or used containers?

Sea container LLC is able to supply new or used containers for sale nationwide. Our clean, dry, secure equipment is perfect for storage, or shipping. Regardless of your container purchase requirement, rest assured that your stored items will remain dry and secure. Our most popular container sizes are 20ft and 40ft.

Are new shipping containers a good choice?

New containers will always be structurally sound and weather proof. New containers have been used on one occasion to ship goods into Russia by cargo vessel. These container types are usually suitable for shipping. All of our used shipping containers are good quality, wind and water tight and perfect for domestic storage.

What is a used container?

Used containers are always weather proof and structurally sound. They can be upgraded in order to be suitable for shipping if required. They usually have marine ply flooring as standard with four vents for air circulation. Our most popular container sizes are 20ft and 40ft.
