

IMK CONTAINERS

Skipry Livestock Industry Energy Storage Container Hybrid

Overview

Industrial livestock farms emit greenhouse gases from various sources, including the milking parlor, the livestock storage environment, and the mass of manure stored. This research aims to reduce the emissions.

Skipry Livestock Industry Energy Storage Container Hybrid

[Hybrid Energy Storage: Case Studies for the Energy ...](#)

It proposes innovative hybrid energy storage solutions grounded in detailed techno-economic and sustainability analyses. Furthermore, by identifying untapped opportunities for electrification ...
