# Solar Energy Storage Power Supply Company

## Overview

---

### Who is China's Sungrow Power Supply?

China's Sungrow Power Supply Co. Ltd. Sungrow is a top supplier of energy storage systems and inverter solutions. Sungrow's significant contribution in promoting a sustainable future has been recognized by BloombergNEF, which ranks the company among the top five global integrators of battery energy storage systems in 2024.

### What is Growatt solar & storage?

Growatt is focused on creating a sustainable energy ecosystem and offers a comprehensive lineup of intelligent photovoltaic (PV) solutions. Their 'Solar + Storage' package solution provides versatile applications for energy storage, including residential energy storage systems (ESS) and portable power supplies.

### Who is Tu Energy Storage Technology (Shanghai)?

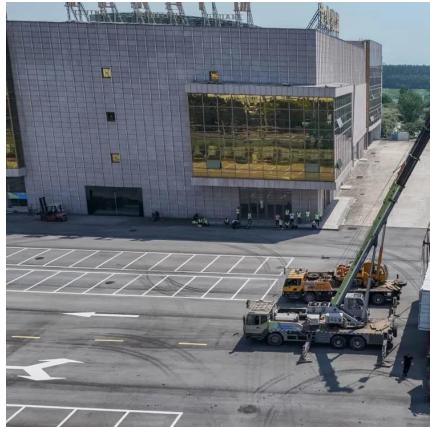

Safe operation and system performance optimization. TU Energy Storage Technology (Shanghai) Co., Ltd., founded in 2017, is a high-tech enterprise specializing in the research and development, production and sales of energy storage battery management systems (BMS) and photovoltaic inverters.

### What types of energy storage solutions do you offer?

We offer commercial and industrial energy storage system solutions. Our air-cooling and liquid-cooling ess cabinets are safe, all-in-one solutions that are easy to maintain. Designed to meet a variety of energy storage needs, click to learn more about how our energy storage solutions can benefit your business.
