Who are SCL water?

Supplier and installer of solar powered water pumps. SCL Water is an experienced supplier and installer of solar powered water pumps and specialise in the export of SOLAR WATER PUMPS and associated equipment to Africa. We are the Grundfos UK solar pumping specialist and have technical expertise in all their solar products.

Can solar panels be used in Somalia?

Somalia's abundant sunlight makes it ideal for solar energy. Solar panels convert sunlight into electricity, which can be used immediately or stored in batteries for later use. Our systems are designed to withstand Somalia's hot climate and perform efficiently even on cloudy days.

Are solar water pumping systems sustainable?

Water scarcity is a significant challenge in many parts of Somalia, and our solar water pumping systems offer a sustainable solution to this pressing issue.
