

Taipei Customized Battery Inverter

Overview

Who makes battery power chargers & inverters?

Welltron Electronics, the Taiwan manufacturer of battery power chargers and inverters, offers power solutions for camping RVs, vehicles, and marines.

What services does an OEM solar inverter offer?

OEM Services If the customer already has their product design, we can provide manufacturing and testing services and then deliver the product. As the OEM solar inverter is custom designed, the product will be manufactured exclusively for the customer. ODM Service.

How much does it cost to customize an inverter?

Customize inverter appearance (logo/color/packing/documents.) only, no cost charged if meets MOQ of material vendors. Deeper level customization like hardware changing, its costs happen accordingly. (2) Certificate costs.

*Customers should learn clearly what certifications are required from local government and Electricity Company.
