

# **Terminal and base station communication**

## Terminal and base station communication

---

[WO/2025/069210 TERMINAL, BASE STATION, AND COMMUNICATION ...](#)

This terminal comprises: a control unit that, in a discontinuous frequency resource configured by a plurality of continuous frequency resources, determines at least continuous ...

[Learn More](#)

[Communication method, base station, and terminal device](#)

TL;DR: In this article, the authors proposed a communication method, a base station, and a terminal device, which includes: transmitting signals to a terminal devices by using n port ...

[Learn More](#)

[WO/2025/083912 TERMINAL, BASE STATION, AND COMMUNICATION ...](#)

This terminal comprises: a reception unit that receives, from a base station, a low-power wake-up signal corresponding to a plurality of terminal types; and a control unit that ...

**Communication Base Station Terminal Connections , Huijue ...**

The Bottleneck Nobody Predicted Recent GSMA data reveals a 217% increase in simultaneous connections per urban base station since 2020. This isn't just about smartphones anymore - ...

[Learn More](#)

[DATA TRANSMISSION METHOD, COMMUNICATION ...](#)

[0024] In the embodiments of the present invention, a base station (base station, BS for short) may be a device communicating with a terminal (terminal) or another ...

[Learn More](#)

[WO/2025/243762 BASE STATION, TERMINAL, AND COMMUNICATION ...](#)

This base station includes: a control unit that, on the basis of a change in traffic load, determines whether to change a function for transmitting system information, said ...

[Learn More](#)

**Optimal placement of base transceiver stations for public ...**

Finding the optimal placement of Base Transceiver Stations (BTSs) is a significant challenge in deploying radio communication networks for Public Safety and Defense based on ...

[Learn More](#)

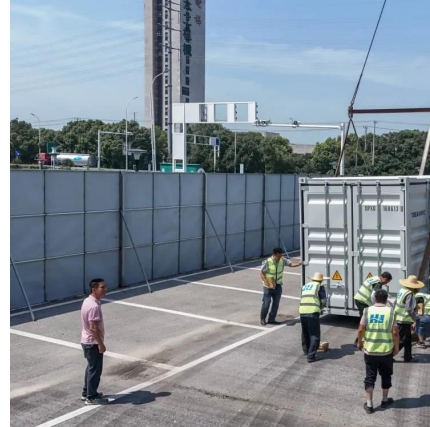

[WO/2023/203704 TERMINAL, BASE STATION, AND](#)

### [COMMUNICATION ...](#)

Provided is a terminal comprising: a transmission unit that reports, to a base station, the maximum number of bands which are supported for a transmission switching ...

[Learn More](#)

### [Terminal device, base station device, and communication ...](#)

TL;DR: In this article, a base station device, a terminal device, and an integrated circuit capable of performing communication more efficiently when the terminal device transmits an uplink signal ...

[Learn More](#)

### **18754567. BASE STATION, COMMUNICATION TERMINAL, AND COMMUNICATION**

Provided is a base station including: an antenna that emits at least one searching radio beam for searching for a communication terminal and a communication radio beam for ...
