

Timor-Leste portable power supply recommendation

Overview

What voltage is used in Timor Leste?

In Timor Leste, power plugs and sockets (outlets) of type C, type E, type F and type I are used. The standard voltage is 220 V at a frequency of 50 Hz. Timor-Leste, also known as East Timor, is a small island nation in Southeast Asia.

What power plugs do I need for Timor-Leste?

Discover the power plug requirements for Timor-Leste - choose a versatile universal adapter for types C, E, F, and I. Stay connected on your trip!.

What type of plug does Timor Leste use?

Timor Leste uses a standard voltage of 220 volts and a frequency of 50 Hz. The country utilizes four different plug types: C, E, F, and I. Plug type C features two round pins, while plug type E, also known as the "Schuko" plug, has two round pins with two earth clips on the side. Plug type F is similar to type C but also includes two earth clips.

Do I need a travel adapter for Timor Leste?

If you are traveling to Timor Leste with electronic devices that use a different plug type, you will need to bring a travel adapter. You can purchase travel adapters at most electronics stores or online. It's important to note that plug types C, E, and F are all compatible with each other.
