# Top 10 Home Energy Storage Companies in Baghdad

## Overview

---

Is Tesla Energy a good energy storage company?

Tesla Energy's energy storage business has never been better. Despite only launching its energy storage arm in 2015, as of 2023 the company had an output of 14.7GWh in battery energy storage systems. Its portfolio includes storage products like the Powerwall and the Megapack.

Why is Panasonic a leading energy storage company?

Thanks to a wide and varied portfolio of solutions, Panasonic has positioned itself as one of the leaders in the energy storage vicinity. Panasonic is one of the industry's top names due to its advances in innovative battery technology alongside strategic partnerships and extensive experience in manufacturing high-quality products.

Is energy storage a long-term investment?

Particularly prominent in energy storage when it comes to residential and small-scale commercial markets, Enphase promotes energy storage as a longer-term investment.
