

# **What are the signal base station sites in Kuwait City**

## Overview

---

Which companies offer co-location data centres in Kuwait City?

QualityNet, Zajil and Ooredoo (Fasttelco) also offer co-location data centres in Kuwait City. Mada, a more specialised company, provides wireless corporate intranet and internet services, along with Integrated Services Digital Network lines.

Where does zajil Telecom land in Kuwait?

Kuwait City Cable Landing Station, for Fiber Optic Gulf ( FOG ), FALCON, GBI, Kuwait-Iran submarine cable systems. Zajil Telecom is the landing party in Kuwait and Bahrain for the Middle East-Europe terrestrial system ( MEETS ), operates its landing station in Kuwait City.

Who owns Qualitynet in Kuwait?

QualityNet was 90% owned by Bahrain's Batelco until May 2019, when the company sold its stake to VIVA for around KD28.3m (\$93.2m). Kuwait's ISPs offer a wide variety of solutions, including the cloud, managed services and cybersecurity. QualityNet, Zajil and Ooredoo (Fasttelco) also offer co-location data centres in Kuwait City.

Who provides FTTH services in Kuwait?

The MoC is now the sole provider of fixed-line telephony and fibre-to-the-home (FTTH) services in Kuwait. The MoC's fixed-line broadband services are supplied via five internet service providers (ISPs). Four of them are wire-based – Qualitynet, Fasttelco, Zajil Telecom and bOnline (formerly Gulfnet) – one wireless ISP, which is Mada.
